of salt judging by the exciting way these amateurs disposed of Bournemouth.

They were helped in that Bournemouth keeper Kevin Charlton didn't come out for the second half after 'damaging his shoulder.

His place was taken by sub John Wingate, who was brought from Exeter in the summer as a striker.

Even so, Wingate pulled off some competent saves before Wycombe hit

Bournemouth for two in half.

Bournemouth never looked happy against the hard-working amateurs, though Howard Goddard put them in the lead after two minutes in the second nine minutes.

Then furniture machinist Tony Horseman set

Wycombe up for victory in the 70th minute with a smart shot that left Wingate stranded.

Number two for Wycombe came from teacher Steve Perrin. He diverted a Holifield shot past Wingate.

WYCOMBE, the Rothmans Isthmian League champions, added a new chapter to their history last night when they blasted Bournemouth out of the FA Cup in this second-round replay.

Then manager Brian Lee said: "We have absolutely no chance of beating Middlesbrough in the next round."

Lee hugged all his players one by one as they trooped off Dean Court.

Jubilant

In the jubilant Wycombe dressing room after the game he said: "This is unbelievable. It is a tremendous night for this club and for amateur football.

"This is the first time in the history of Wycombe that we have reached the third round of the FA Cup.

"You can take it from

me we'll be doing our bit of celebrating on the way home tonight."

As he poured himself another glass of champagne he added with a wink: "This is just the start. I haven't seen Middlesbrough this season but obviously I plan to do that as soon as possible.

"But, like I have said, we don't stand a chance against them. They are a top First Division side and we must be out of their class.

Jack Charlton's Boro boys will be well advised to take that with a pinch
